Round Table by Liba Vaynberg is a heartfelt comedy that intertwines two stories; one between bookish couple Zach and Laura, and the other between a troupe of The Game of Thrones-esque LARPer. Live Action Role Playing (LARPing) is a hobby of Zach's, which he introduces to Laura early on in their relationship. Zach is a doctorate of medieval literature and works on the popular TV show, *Round Table*. LARPing serves as his inspiration for storylines. Laura is a romance novelist finding out about Zach's passions as we watch their relationship bloom both on and off the playing field. Meanwhile in the Round Table troupe, we follow Morgan and Mordred in their quest for King Arthur's sword. Laura and Zach may have found true love, but will it survive his final fatal secret?

The cast includes **James Blaisdell** as Zach/Tristan/Merlin/Giles/Arthur, **Leslie Munson** as Laura/Laurel/Guinevere, **Indigo Leigh** as Morgan/Lena, **Damany O. Riley** as Mordred/Jeff, and **Ben Baynum** as Kay.
