The stars bring with them two assistants, two sets of luggage, two overblown egos, and one legendary feud. Everything seems to be in order for their benefit performance for the troops—until they are mistakenly assigned to the same suite. Can two bumbling bellhops, two steadfast secretaries, and a stuffy hotel manager keep these fierce rivals apart? Or will this benefit performance end in a delicious disaster? Check into the Palm Beach Royale Hotel and check out mistaken identities, double entendres, a nosy gossip columnist, disappearing roses, dramatic door slamming, and a pampered, pocket-sized pooch named Mr. Boodles. NIGHTSWEAT | *Pre-Elderly Girls Gone Wild*

By Natalie Symons

Britney Cox, a washed-up actress has been canceled on social media! Between pipe bombs, appliances that don't work, slashed tires, a mysterious landlady, and news of a serial killer hunting "pre-elderly women," what more could go wrong? "Bridesmaids" meets "Friday the 13th" in Natalie Symons' hilarious new farce, Nightsweat, as it pokes fun at wokeness, Florida, pronouns, Ozempic, white privilege, "don't say gay," horror movie tropes, fake news, and, of course, Hall & Oats.
