In May, *Significant Productions* presents *I Love You, You're Perfect, Now Change* – Music by Jimmy Roberts, Book & Lyrics by Joe DiPietro, as the first 2025 summer production at **The Studio Theatre™ Tierra del Sol** (806 San Marino Drive, The Villages, Florida).

I Love You, You're Perfect, Now Change is a celebration of the game of love. This long-running off-Broadway revue reveals the truths and myths behind that contemporary conundrum known as "the relationship." Through sketches and songs, this hilarious adventure explores the journey from dating to marriage, the agonies and triumphs of in-laws and newborns, trips in the family car, and funeral-friendly pick-up lines. This comical and relatable musical pays tribute to those who have loved and lost, those who have fumbled at any chance of romance, and those who have dared to ask, "Say, what are you doing Saturday night?" Join us for this endearing, funny, and heartwarming ride on the rollercoaster of relationships.
